

Children & Young People's Mental Health Trailblazer Development Workshop

**You are invited to an exciting event on
Saturday 18th May 2019 10:00am-12:00pm!**

We need the help of children, young people parents and carers to help us to shape the future of mental health support.

The aim of the session is to gain your views on extending our Mental Health Support Teams offer into your schools. We are already developing teams in many schools across South Tyneside and our aim is to make this available to all schools. The workshop will cover:

- Mental Health Support Teams in schools and colleges
- The ingredients of a good Mental Health Support Team
 - What are the wrong ingredients?
 - Dear Mental Health Support Teams...

**Our fun workshop will be held at South Shields Football Club,
Mariners Park, Shaftesbury Ave, NE34 9PH.**

Come along for complementary refreshments and the chance to win tickets to "Everywhere We Go" at the Customs House!
