

Behaviour principles for pupils in light of school re-opening due to COVID 19

In light of the need for children to behave differently when they return to school, the following new systems are in place and must be adhered to.

Pupils must adhere to:

- **following any altered routines for arrival or departure** – children must arrive at the time given by school
- **following school instructions on hygiene, such as handwashing and sanitising**; this will be done more frequently and pupils must comply
- **following instructions on who pupils can socialise with at school**; children will only be with children in their bubble at all times
- **moving around the school as per specific instructions**: staying to right hand side of corridor, maintain 2m social distancing at all times, staying within their designated classroom.
- **expectations about sneezing, coughing, tissues and disposal**; 'catch it, bin it, kill it' and avoiding touching your mouth, nose and eyes with hands
- **tell an adult if you are experiencing symptoms of coronavirus immediately** parent's must be available to collect their child immediately from school
- **rules about sharing any equipment or other items including drinking bottles**; children will have their own equipment and must not share any resources; only bring a water bottle from home nothing else required.
- **amended expectations about breaks or play times, including where children may or may not play**; children will have staggered playtimes in their bubble and must stay to designated areas to play at all times
- **use of toilets**; toilets will be monitored closely

- **clear rules about coughing or spitting at or towards any other person**; this will not be tolerated in any shape or form
- **clear rules for pupils at home about conduct in relation to remote education**; children not at school will be expected to continue to access their home learning set by school
- **rewards and sanction system** – no house points will be in operation in the summer term; telephone calls will be made home to parents as and when required by staff
- **any child deliberately ignoring the SD rules or displaying behaviour deemed as unsafe for themselves or towards any other pupil or staff member will be required to go home** - parents will be called to pick up immediately
