ATTENDANCE.

Coming to school is important. Each week we will award a certificate to the class with the best attendance. You must ring school and inform school on the first day of absence.
Please don't send your child to school if they have symptoms of COVID-19 or live with someone who has symptoms. Please keep school updated. **If your child tests positive over a weekend or school holidays email admin@biddickhallschool.co.uk immediately.**
Every week all pupils who have 100% attendance go into an envelope and one child per class is chosen to receive a pencil, a ruler or a bookmark. Then once per half term all 100% attendance pupils are put into a year group envelope and one child is chosen to receive a £5 Asda gift voucher.
Parents each term have the chance to win a £25 gift voucher for Asda also.
Any pupil who has 100% attendance each term will receive a wrist band and a certificate.
All children who have 100% weekly receive a 100% sticker.

HOME LEARNING DUE TO COVID-19.

If your child needs to self-isolate because they test positive or they live with someone who has tested positive, then home learning will be provided. Children will be given a home learning book to work in. Home learning will be set via Google Classroom which is our learning platform. Sometimes they will be able to answer on the task sheets provided by writing straight on them or sometimes they will need to work in their home learning book. Paper copies will be provided if children do not have access to devices.
Work will be set each day and will comprise of the whole school curriculum. **It must be completed to ensure that children keep up with their peers in school.**

GOOGLE CLASSROOM

Children have been practising how to access Google Classroom in school.
Please remember that you need to go to the school website FIRST to log in to your SCHOOL google account.
www.biddickhallschool.co.uk
You will not get access to the classroom unless you use your school e mail account which ends in
@biddickhallschool.co.uk
This is because we use a double authentication system that is more secure for your children than using a normal google account. Your child's account is protected by security settings that are set specifically for education networks and for Biddick Hall Junior School in particular.

Students will need to go to the login button at the top right of the school website and put in their user name and password. The user name is their first name and initial of their last name, all lower case with no spaces or dots. The password has to have 8 characters. You will be prompted to change to a secure password straight away. If you need help to login please contact the school by e mail.
