HAPPY NEW YEAR

What a strange start to the new term it has been this week.

Well done to all those children who are managing to log on to the Google Meet at the correct times on a morning for registration. This enables them to see their teacher and classmates, and to get further guidance of the tasks they need to complete that day. Please ensure children are dressed and have had their breakfast by this time.

All pupils are expected to log on for registration at 9am in Year 5 and Year 6 and at 9.15am in Year 3 and Year 4.

All work for the day is uploaded on Google Classroom by the class teacher and **must** be completed.

Teachers are also delivering live teaching to pupils at home on a daily basis.

Pupils can access support from their teachers by clicking on the meeting link, even if live teaching is not going ahead. The meet link is kept open for much of the day. It is better to contact the teacher via the meet link for immediate feedback. If it is not open, pupils can contact their teacher via stream in their Google Classroom.

It is useful to have the worksheet open when completing a live lesson so pupils can access the worksheet easily if need be.

If there are any issues, then please don't hesitate to contact school and ask for help.

PUPIL OF THE WEEK

Each week, staff choose a pupil in their class to be pupil of the week. If it is a pupil working from home their certificate will be put in their tray ready for their return.
