HOME LEARNING

Any child self-isolating will be expected to complete home learning.

All work for the day is uploaded on Google Classroom by the class teacher and **must** be completed.

Teachers are also delivering some live teaching to pupils at home on a daily basis.

Pupils can access support from their teachers by clicking on the meeting link, even if live teaching is not going ahead. The meet link is kept open for much of the day. It is better to contact the teacher via the meet link for immediate feedback.

It is useful to have the worksheet open when completing a live lesson so pupils can access the worksheet easily if need be.

If there are any issues, then please don't hesitate to contact school and ask for help.

Well done to all the parents and carers who have supported their children at home during these difficult times.

We are looking forward to welcoming all our children back into school.

PUPIL OF THE WEEK

Each week, staff choose a pupil in their class to be pupil of the week. If it is a pupil working from home their certificate will be put in their tray ready for their return.
