**Response to the results:**

1. We want all our children to be happy at school. If your child is not happy please speak to us so we can try and sort out any issues or problems.
2. We ensure that your children feel safe at all times in school. There are always trusted adults around to speak to. If your child does not feel safe for any reason it is extremely important to speak to us.
3. We have a strong behaviour policy in school which is adhered to.
4. If on occasion your child has been bullied and we know about it we will ensure that the bullying is dealt with quickly and effectively. If your child has not been bullied then just tick the not applicable box. If you feel this has not been dealt with please let us know.
5. We keep our school website up to date regularly. Under the tab CURRICULUM you will find the plans for your child's year group and what they will be learning over the course of the year. Please check the website regularly.
6. Any concerns that are brought to our attention will be dealt with immediately. Please continue to inform us of any concerns as they arise.
7. SEND is 'Special Educational Needs.' If your child has SEND then you will have been informed by school. All children who have SEND receive the support they need in school.
8. School has high expectations for all children. We want children to have high aspirations and provide them with the necessary tools to achieve them.
9. We endeavour to ensure all children do well at Biddick Hall Junior School.

Thank you for your continued support
