# LET'S TALK CHILDREN'S SERVICES

## Listening to parents and carers who have experience with our Children and Family Services

We're building on the success of last year's events and would like to invite you to our first Let's Talk session of 2026. This event is for parents and carers who have been involved with our Children and Family Services, giving you the chance to come together and share your views.

**A parent who attended previously said:**

“

It's been a pleasure to attend the listening sessions. They were open, honest and really constructive, with a clear aim of improving services for families. It's clear that people's voices are genuinely valued.

”

**Senior managers will be there to listen to you and answer any questions.**

We want to work with you to improve how we support families in South Tyneside.

**This is your chance to tell us:**

- What is working well and what could be better
- Any changes you would like to see in how we work
- How we can work better with parents

**Date:** Friday 27 March 2026

**Time:** 10am-1pm

**Venue:** The Sea Hotel, Sea Road,  
South Shields, NE33 2LD

Lunch and refreshments will be provided.
