Wellbeing Survey

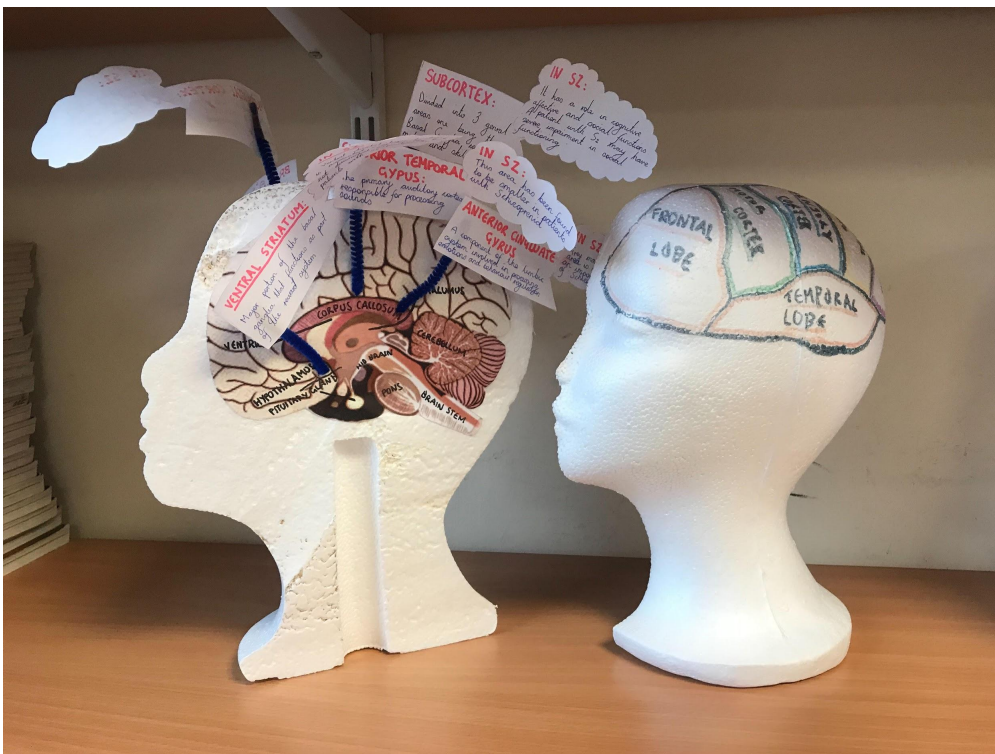

by Ms Jenkins

The feedback from the Wellbeing survey is now on the school website. We are currently reviewing our school policy on punctuality. Poor attendance disrupts your child's education and the learning of others, as well as being a safeguarding issue. When children are not in our care they are unsupervised in the community. Students make better progress when we all work together and consistent expectations are in place. Conversations encouraging prompt attendance can also be very helpful and we appreciate your support in this matter.
