***As part of working towards the GATSBY career benchmarks, we work closely with our local Connexions service to track student destinations for two years past their leaving date. For 2016, the DfE figures are calculated after two terms from leaving, we have updated this information to show changes to student destinations in the 18 months following this**

DISADVANTAGED	2015	2016	2017	2018	Nat Ave
In Training, education or employment	84.2	88.1	94.9	96.2	86.0

ALTERNATIVE PROVISION	2015	2016	2017	2018	Nat Av
In Training, education or employment	42.9	33.3	85.7	84.5	63.0
