Dear Colleagues,

From September 2023 the price of the set two course school lunch is being increased by 20p per meal from **£2.40 to £2.60 per day**. The main High School tariff has been reviewed and prices increased accordingly.

I would be grateful if you could advise students, parents, and carers that this price increase will take effect after the summer holiday from the first day back at school in September.

Pricing information for parents and students will be available on the North Tyneside Council website.

If you have any other questions about this email or letter, please call the team on (0191) 643 8355 or email catering.services@northtyneside.gov.uk

Thank you in advance for your help.

Yours sincerely
