Dear Parents/Carers,

I am writing to you regarding the application of sun cream at school. The most important thing for us to do is to help the children stay safe and happy, and not get burned.

Given that the summer months are here, we would like your support in asking that you apply sun cream to your child each morning before they come to school. If you feel your child may need this applying again throughout the school day, we would ask that sun cream be sent into school which is clearly labelled with your child's name for us to keep in school and for children to apply as necessary. This will also ensure that any children with sensitive skin have the correct sun cream for their skin type.

In order for staff to allow children to be able to apply sun cream we do require written consent which needs to be given using the permission slip below.

We would also recommend that your child brings in a sun hat to wear outside and also have a water bottle. Water bottles can be purchased from the school office for £1 if your child does not have one!

We hope that the weather will provide us with lots of opportunities to put the sun cream into action! If you have any questions related to the information in this letter, please get in touch.

Thank you for your help.

Kind Regards,

Helen Smith
Headteacher

I give _____ permission to have sun cream applied by a member of staff in school should the weather require this.

Signed _____ (Parent/carer)
