Dear Parent/Carer,

**Re: Homework**

Who said that homework cannot be fun? Family Homework projects are great incentives to get the whole family involved in a fun homework project.

This half term we are trialing a new approach to our homework through family projects. Your child has from now until **Monday 16<sup>th</sup> of May** to complete a family project on a topic of your choice.

You may decide to make a book, a sculpture, a collage, a powerpoint..... the possibilities are endless and entirely up to you!!

This will give all families the chance to work on a project together over the coming weeks. You can include photographs, pieces of text, newspaper articles, diary entries and the whole family can contribute to these including extended family such as grandparents, aunts, uncles, cousins etc.

During the week commencing Monday 23<sup>rd</sup> of May each afternoon families will be invited to come and share their projects with the rest of the class if they wish to.

On Friday 27<sup>th</sup> May at 2:30pm a huge praise and celebration assembly will take place focused on the homework family project work where two winners from each class will be selected as the winners for this half term. Every child who submits a project will receive written feedback from their class teacher about their efforts.

I hope you are as excited about this new homework initiative as we are. We cannot wait to see what you will come up with.

If you have any questions, queries or comments please do not hesitate to get in touch!!

Kind Regards

Helen Smith
