Head Teacher: Mrs. H. Smith, B.Sc. (Hons) NPQH

Re: Whole School Beach Day - Update

We are really looking forward to our Beach Day on Monday. This is just a quick update.

Firstly, if the weather isn't on our side and the day has to be cancelled can we ask that ALL children be in school as normal for 8:55am. Texts will be sent to all parents by 8:15am to make you aware if we plan to go ahead or not. If the day is cancelled children will still have to bring their packed lunch to school unless a school packed lunch has been requested but won't be required to wear school uniform

Secondly, if the weather is good, children who are being accompanied by school staff, need to attend school at the normal time (8:55am) and children will be returned to school by normal pick up time (3:15pm KS1 or 3:30pm KS2). We will be at the beach by 10.30am and will meet all other children there at the beach behind the Sundial at South Shields. If parents want to meet their child at the beach and sign them off the beach rather than have to come back and pick them up from school this is fine, however we will only release children who have been accompanied to the beach by us, to adults who are on their designated person pick up list.

All children will need a packed lunch, two drinks, a sun hat, sun - cream and can bring a bucket and spade if they wish. Please can the parents/carers of children who are attending the beach trip with staff, ensure they are sun creamed prior to school that morning. Children will not be required to wear school uniform.

Kind Regards

Helen Smith
