Friendship

Background

Our Ethos and Values Statement underpins everything we do and are about at St Oswald's. Children in our school know that love is the most important value of all, in line with the new command that Jesus gave us to love one another, which is why this is placed above all in our statement.

Mission Statement

Sitting below love lies our school's mission statement: *Aspire, Believe, Connect*. As easy as A, B, C, this statement is easy to remember and most importantly represents what we want our children to do in every aspect of their education and lives.

Core Christian Values

The mission statement is underpinned by six core Christian values that each link to one aspect of *Aspire, Believe, Connect*. As children aspire to be the best they can be in every way, they will grow in wisdom. In order to believe in themselves and develop their own beliefs about the world around them, our children are taught about the importance of trust and strength on their journey. We also believe in the values of peace and friendship in helping us to connect with those around us.

Learning and Teaching Policy Introduction

- a) Learning and teaching are the key functions of our School.
- b) At St Oswald's CE VA Primary School we work towards the aims of the School through providing high quality learning experiences within all we do; in the discreet and hidden curriculum, in the School environment and the interactions between all members of the School community. We believe that we teach the children through all that we do: through the implementation of the policies, systems and practice that determines the curriculum and school day; learning and teaching should not just be seen as an isolated activity that happens in a classroom but a relevant and purposeful way of school life.
- c) We believe that:
 1. Learning should be a rewarding and enjoyable experience for everyone i.e. learning should be fun and enable children to make expected or accelerated progress;
 2. Teaching needs to equip children with the skills, knowledge and understanding necessary in order that they can play an increasingly useful and positive role in life in Modern Day Britain and make informed choices about their lives both now and in the future ensuring they are ready for the next stage of their education;

Planning, Impact and Assessment

Planning

- Long term plans for each subject show objective coverage which then informs Medium Term Planning and Daily Planning
- Daily Planning:
 - Learning and Teaching is initially based on Medium Term Planning but also children's interests and prior learning
 - Impact sheets then inform subsequent teaching

Impact

- Impact of learning and teaching is measured during and following a lesson by all members of staff.
- Impact is measured upon each child's individual progress and attainment and evidenced by all staff present in the lesson on the daily impact sheet.

Assessment

- Children's assessment for learning is both summative and formative.
- All subjects are tracked throughout the term based on 'cold to gold' tasks.
- Summative assessments are administered on a termly basis for all subjects as follows:
 - ✓ Maths : Headstart
 - ✓ Reading: Headstart

- ✓ Writing: Teacher Assessment
- ✓ Religious Education: Teacher Assessment
- ✓ Science: Rising Stars
- ✓ Foundation: Teacher Assessment
- Core Subjects are recorded on iTrack per term

C. Curriculum Planning

- 1) St Oswald's CE VA Primary School's planning is based on the following requirements:

D. Inclusion (please refer also to the School's Inclusion, Special Education Needs and Disability Policy)

- Inclusion is the School meeting the diverse needs of all children in order to ensure the active participation and progress in their learning.
- Successful inclusive provision at St Oswald's CE VA Primary is seen as the responsibility of the whole school community, permeating all aspects of school life and applicable to all our children.
- In accordance with the school's Equal Opportunities Policy, all children will be given full access to the National Curriculum, unless their statement of SEND indicates disapplication. Staff will actively support all children to reach their potential regardless of academic ability, race, gender or age.
- Children who receive additional or extra support, including those with statements of SEND, have learning plans specifically tailored to their needs. These are followed as far as possible as part of the normal classroom teaching but sometimes require specific input involving withdrawal from the main classroom environment for short periods of time.
- Inclusive practice across the curriculum should enable all children to achieve their best possible standard; whatever their ability, and irrespective of gender, ethnic, social or cultural background, home language or any other aspect that could affect their participation in, or progress in their learning.
