

# Talk Homework

This week in worship and across our learning, we have been focusing on:

## Resilience

*"For though the righteous fall seven times, they rise again"  
(Proverbs 24:16a)*

Discuss this topic with an adult at home. Tell them what you have learned about this week and ask them what they know about this subject.

You could look to learn the verse of the week (in green) by heart.

We'd love to see photographs, PowerPoints or notes of you completing this activity that the children could share with their class during worship discussions. Please email these to your child's class teacher.
