Wednesday 14<sup>th</sup> October 2020

Dear Parents/Carers,

In order to improve communication and aid any working parents/carers a list of diary dates have been compiled for the coming academic year. These dates are provisional and are subject to change. Other dates will be added as the year progresses but termly updates will be given.

Equally, the nature of each event will be subject to Government guidelines and updates around the current Covid-19 situation. At present, there will be changes to many of the upcoming events in that they will be remote however we endeavour to keep all parents and carers updated with changes. Some events may not be able to go ahead should the current schools guidance and restrictions, not change.

If parents/carers think they can contribute to any of our events please don't hesitate to get in touch.
