**Bubble Isolation Remote  
Learning Non-Negotiables**

### Non-Negotiables for Google Classroom Live Online Teaching

1.	Be prepared and ready on Google Classroom Live five minutes prior to your live online input (8.55am, 10.40am, 1.10pm).
2.	Know your log in details or have them readily available (spag.com, Oxford Owl eBook, Times Table Rockstars).
3.	While you are on Google Classroom ensure you are on mute and your camera is turned on (unless your parent/carers does not want you to appear on live).
4.	Ensure you and all members of your household are dressed and behave appropriately.
5.	Find a quiet environment with no interruptions.
6.	Ensure your tool kit and all of your resources are available.
7.	Participate in your live stream independently.
8.	If you have any questions put your hand up and wait until the teacher or teaching assistant asks you to unmute.
9.	If your parents or carers have any questions, please email class teachers and they will respond via email.
10.	Do not share your usernames or passwords.
