10.	GUIDED READING PLANNING - this will be planned at the start of
	each week and will ensure each group has the opportunity to read twice a
	week with an adult (3x in reception & KS1). All guided reading planning
	must follow the same format and comments written for each child during
	the session must support reading assessment and demonstrate progress.
11.	WORK GENERATED FROM GUIDED READING - this will be placed in
	English books with a clear learning objective and success criteria.
12.	NOT READING AT HOME - The reading diary MUST be signed by a
	parent on each occasion the child reads (three times a week) or the
	reading task will be deemed as one missed homework. If children are
	not having their reading record signed and therefore not reading at
	home on more than three occasions a letter will be sent to parents
	regarding a meeting with the class teacher in the first instance and if
	this continues then with the Key Stage Leader. In addition, children will
	be asked to 'catch up' on their reading on Friday afternoons or during
	lunchtimes or playtimes. When reading is checked each Friday, a line will
	be ruled under to indicate the week's reading have been counted.
13.	CLASS NOVELS – Every class will engage in a class novel for the last
	fifteen minutes of each school day. The class novel can be but does not
	need to be related to curriculum topics; it must be a book that
	demonstrates the value of reading for enjoyment. The children must
	have input into the novel selected.
14.	CATCH UP READING SESSIONS – In school, each class will select
	children to engage in reading support sessions. These sessions will be for
	children who need some additional support or who are not being read
	with frequently at home, these most commonly occur on a Friday
	afternoon.
