

RHSE Implementation Statement

Overall aim: To support and help children to be safe, make informed decision, be healthy and prepared for life's opportunities in modern day Britain.

Implementation of RHSE

At St Oswald's, we follow the DfE Statutory 'RSHE' Guidance, PSHE Association and Project Evolve to plan and deliver our sensitive and content-rich programme. Our school ethos and values align with our commitment to the delivery of SMSC (spiritual, moral, social and cultural development), RSE (relationships and sex education) and health education. Additional 'Curriculum Days' allow us to focus on issues that matter to our community and celebrate links with other curriculum subjects.

COLD

GOLD

Sticky knowledge

- Vocabulary: growth mind set, rights & responsibilities, healthy lifestyles, relationships, valuing differences, wellbeing, adolescence,
- Progression of skills mapped through each year group
