

St Oswald's CE VA Primary School

Relationships and Sex Education Policy

St Oswald's CE VA Primary School Relationships and Sex Education Policy:

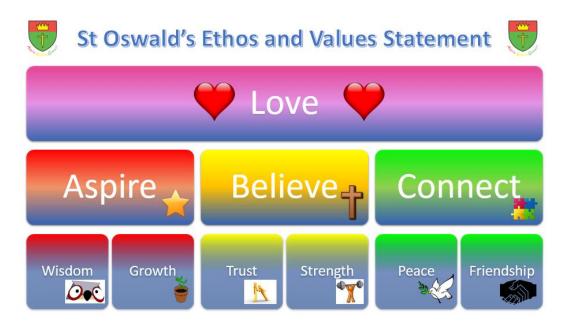

Principles and Implementation

Agreed by governors: June 2023

Implementation date: June 2023

Review date: June 2025

Ethos and Values Statement

Background

Our Ethos and Values Statement is an easy to understand model of religious education in St Oswald's. Children in our school know that love is the most important value of all, in line with the new command that Jesus gave us to love one another, which is why this is placed above all in our statement.

Mission Statement

Sitting below love lies our school's mission statement: Aspire, Believe, Connect. As easy as A, B, C, this statement is easy to remember and most importantly represents what we want our children to do in every aspect of their education and lives.

Core Christian Values

The mission statement is underpinned by six core Christian values that each link to one aspect of Aspire, Believe, Connect. As children aspire to be the best they can be in every way, they will grow in wisdom. In order to believe in themselves and develop their own beliefs about the world around them, our children are taught about the importance of trust and strength on their journey. We also believe in the values of peace and friendship in helping us to connect with those around us.

1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- > Provide a framework in which sensitive discussions can take place
- > Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- > Help pupils develop feelings of self-respect, confidence and empathy
- > Create a positive culture around issues of sexuality and relationships
- > Teach pupils the correct vocabulary to describe themselves and their bodies

2. Statutory requirements

As a maintained primary school we must provide relationships education to all pupils as per section 34 of the <u>Children and Social work act 2017.</u>

However, we are not required to provide sex education but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we must have regard to <u>guidance</u> issued by the secretary of state as outlined in section 403 of the <u>Education Act 1996</u>.

At St Oswald's CE VA Primary School we teach RSE as set out in this policy.

3. Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- 1. Review a member of staff or working group pulled together all relevant information including relevant national and local guidance
- 2. Staff consultation all school staff were given the opportunity to look at the policy and make recommendations
- 3. Parent/stakeholder consultation parents and any interested parties were invited to attend a meeting about the policy
- Pupil consultation we investigated what exactly pupils want from their RSE
- 5. Ratification once amendments were made, the policy was shared with governors and ratified

4. Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information, and exploring issues and values.

RSE is not about the promotion of sexual activity.

5. Curriculum

Our curriculum is set out as per Appendix 1 but we may need to adapt it as and when necessary.

We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner and seek support from our family support worker and/or our external partners. We teach children the value of speaking with trusted adults where to find reliable sources of information. Today, the internet provides a plethora of advice; therefore, we teach, provide and signpost children and their families to sources of reliable information.

Primary sex education will focus on:

- > Preparing boys and girls for the changes that adolescence brings
- > How a baby is conceived and born

Relationships, Health, Sex and Economic Education (RHSE) is what we have named the subject to combine our commitments to both the objectives within RSE and PSHE.

For more information about our curriculum, see our RHSE progression plan in Appendix 1.

6. Delivery of RSE

RSE complements other subjects such as Personal, Social, Health and Economic Education (PSHE), Science, Computing, Religious Education (RE), Worship and Physical Education (PE). RSE has a key part to play in the personal, social, moral and spiritual development of young people. It begins informally in the home with parents and carers long before any formal education takes place at school.

Science coverage for the year groups concerned can be found at Appendix 2.

Pupils also receive stand-alone sex education sessions delivered by trained health professionals.

Year 5 (girls only) - Period Session - South Tyneside School Nursing Team (no opt out)

Year 6 - (girls and boys) - Puberty - South Tyneside School Nursing Team (opt out available)

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- > Families and people who care for me
- > Caring friendships
- > Respectful relationships
- > Online relationships
- > Being safe

End of primary school expectations for each of the themes can be found in Appendix 3.

These areas of learning are taught within the context of family life, ensuring that all support networks are recognised and acknowledged. Family context can include single parent families, LGBTQI+ parents, families headed by grandparents, adoptive parents, foster parents/carers, families seeking asylum. This list is not exhaustive.

7. Roles and responsibilities

7.1 The governing board

The governing board will approve the RSE policy, and hold the headteacher to account for its implementation.

7.2 The headteacher

The headteacher is responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory/non-science components of RSE (see section 8).

7.3 Staff

Staff are responsible for:

- > Delivering RSE in a sensitive way
- > Modelling positive attitudes to RSE
- > Monitoring progress
- > Responding to the needs of individual pupils
- > Responding appropriately to pupils whose parents wish them to be withdrawn from the nonstatutory/non-science components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher.

Ali Conway (Digital and Well-being Lead) is responsible for leading the teaching of RSE at St Oswald's CE VA Primary School.

7.4 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

8. Parents' right to withdraw

Parents do not have the right to withdraw their children from relationships education.

Parents have the right to withdraw their children from the non-statutory/non-science components of sex education within RSE.

Requests for withdrawal should be put in writing using the form found in Appendix 4 of this policy and addressed to the headteacher.

Alternative work will be given to pupils who are withdrawn from sex education.

9. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development (CPD) calendar.

CPD certified training is delivered from a number of organisations such as the PSHE Association, ICT in Schools team and Creative Education. This is not an exhaustive list.

The headteacher will also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

10. Monitoring arrangements

The delivery of RSE is monitored by Ali Conway (Well-being Lead) through:

- ✓ Learning Walks
- ✓ Floor Book Scrutiny
- ✓ Display
- √ Seesaw posts
- ✓ Web Posts
- ✓ Child Conferences
- Pupils' development in RSE is monitored by class teachers as part of our internal assessment systems.

This policy will be reviewed by Ali Conway on a bi-annual basis. At every review, the policy will be approved by the Governing Board

Appendix 1: RHSE Progression Plan

RHSE Progression Plan 22-25

Families and people that care for me

| Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
|---|---|---|--|--|---|
| That families are important for children growing up because they can give love, security and stability The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed | That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed | That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed | That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed | That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed | How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed |

Caring Friendships

| Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
|--|---|---|---|---|---|
| How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable. | That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable. | The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, kindness and sharing interests That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded | The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, kindness and sharing interests | The characteristics of friendships, including mutual respect, loyalty, generosity, sharing interests and experiences and support with problems and difficulties | The characteristics of friendships, including mutual respect, loyalty, generosity, sharing interests and experiences and support with problems and difficulties |

Respectful Relationships

| Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 |
|--|--|---|--|--|--|
| The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes | The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes can be unfair, negative or destructive The importance of permission-seeking and giving in relationships with friends, peers and adults | The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes can be unfair, negative or destructive | The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help What a stereotype is, and how stereotypes | Practical steps they can take in a range of different contexts to improve or support respectful relationships The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help | Practical steps they can take in a range of different contexts to improve or support respectful relationships The conventions of courtesy and manners The importance of self-respect and how this links to their own happiness That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help |

| Key Stage 1 | Key Stage 2 |
|--|---|
| ✓ What constitutes, and how to maintain, a healthy lifestyle including the benefits of physical activity, rest, healthy eating and dental health ✓ Recognise what they like and dislike, how to make real, informed choices that improve their physical and emotional health, to recognise that choices can have good and not so good consequences ✓ To think about themselves, to learn from their experiences, to recognise and celebrate their strengths and set simple but challenging goals ✓ Good and not so good feelings, a vocabulary to describe their feelings to others and to develop simple strategies for managing feelings ✓ Change and loss and the associated feelings (including moving home, losing toys, Pets or friends) ✓ The importance of, and how to, maintain personal hygiene ✓ How some diseases are spread and can be controlled; the responsibilities they have for their own health and that of others; to develop simple skills to help prevent diseases spreading ✓ The process of growing from young to old and how people's needs change ✓ Growing and changing and new opportunities and responsibilities that increasing independence may bring ✓ Names for the main parts of the body (including external genitalia) and the bodily similarities and differences between boys and girls ✓ That household products, including medicines, can be harmful if not used properly ✓ Rules for and ways of keeping physically and emotionally safe including responsible ICT use and online safety, road safety, cycle safety and safety in the environment, rail, water and fire safety ✓ People who look after them, their family networks, who to go to if they are | ✓ What positively and negatively affects their physical, mental and emotional health ✓ How to make informed choices (including recognising that choices can have positive, neutral and negative consequences) and to begin to understand the concept of a 'balanced lifestyle' ✓ To recognise opportunities and develop the skills to make their own choices about food, understanding what might influence their choices and the benefits of eating a balanced diet ✓ To recognise how images in the media (and online) do not always reflect reality and can affect how people feel about themselves ✓ To reflect on and celebrate their achievements, identify their strengths and areas for improvement, set high aspirations and goals ✓ To deepen their understanding of good and not so good feelings, to extend their vocabulary to enable them to explain both the range and intensity of their feelings to others ✓ To recognise that they may experience conflicting emotions and when they might need to listen to, or overcome these ✓ About change, including transitions (between key stages and schools), loss, separation, divorce and bereavement ✓ To differentiate between the terms, 'risk', 'danger' and 'hazard' ✓ To recognise, predict and assess risks in different situations and decide how to manage them responsibly (including sensible road use and risks in their local environment) and to use this as an opportunity to build resilience ✓ To recognise how their increasing independence brings increased responsibility to keep themselves and others safe ✓ That bacteria and viruses can affect health and that following simple routines |
| worried and how to attract their attention | can reduce their spread |

- ✓ About the ways that pupils can help the people who look after them to more easily protect them Recognise that they share a responsibility for keeping themselves and others safe,
- when to say, 'yes', 'no', 'I'll ask' and 'I'll tell' including knowing that they do not need to keep secrets
- ✓ What is meant by 'privacy'; their right to keep things 'private'; the importance of respecting others' privacy
- ✓ How pressure to behave in unacceptable, unhealthy or risky ways can come from a variety of sources, including people they know and the media
- ✓ To recognise when they need help and to develop the skills to ask for help; to use basic techniques for resisting pressure to do something dangerous, unhealthy, that makes them uncomfortable or anxious or that they think is wrong
- School rules about health and safety, basic emergency aid procedures, where and how to get help
- ✓ What is meant by the term 'habit' and why habits can be hard to change
- Which, why and how, commonly available substances and drugs (including alcohol, tobacco and 'energy drinks') can damage their immediate and future health and safety; that some are restricted and some are illegal to own, use and give to others
- ✓ How their body will, and their emotions may, change as they approach and move through puberty
- ✓ Human reproduction
- \checkmark Taking care of their body, understanding that they have the right to protect their body from inappropriate and unwanted contact; understanding that actions such as female genital mutilation (FGM) constitute abuse and are a crime, and develop the skills and strategies required to get support if they have fears for themselves or their peers
- ✓ Strategies for keeping physically and emotionally safe including road safety (including cycle safety- the Bikeability programme), and safety in the environment (including rail, water and fire safety)
- ✓ Strategies for keeping safe online; the importance of protecting personal information, including passwords, addresses and the distribution of images of themselves and others
- ✓ About people who are responsible for helping them stay healthy and safe; how
 they can help these people to keep them healthy and safe
- ✓ The responsible use of mobile phones: safe keeping (looking after it) and safe user habits (time limits, use of passcode, turning it off at night etc.)
- ✓ How to manage requests for images of themselves or others; what is and is not appropriate to ask for or share; who to talk to if they feel uncomfortable or are concerned by such a request

PSHE - Relationships

| Key Stage 1 | Key Stage 2 |
|---|--|
| ✓ Communicate their feelings to others, to recognise how others show | ✓ To recognise and respond appropriately to a wider range of feelings in others |
| feelings and how to respond | ✓ To recognise what constitutes a positive, healthy relationship and develop the |
| ✓ Recognise that their behaviour can affect other people | skills to form and maintain positive and healthy relationships |
| The difference between secrets and nice surprises (that everyone will find | ✓ To recognise ways in which a relationship can be unhealthy and whom to talk to if |
| out about eventually) and the importance of not keeping any secret that | they need support |
| makes them feel uncomfortable, anxious or afraid | ✓ To recognise different types of relationship, including those between |
| ✓ Recognise what is fair and unfair, kind and unkind, what is right and wrong | acquaintances, friends, relatives and families |
| \checkmark Share their opinions on things that matter to them and explain their views | ✓ That civil partnerships and marriage are examples of a public demonstration of |
| through discussions with one other person and the whole class | the commitment made between two people who love and care for each other and |
| Listen to other people and play and work cooperatively (including strategies | want to spend their lives together and who are of the legal age to make that |
| to resolve simple arguments through negotiation) | commitment |
| ✓ Offer constructive support and feedback to others | ✓ That marriage is a commitment freely entered into by both people, that no one |
| ✓ Identify and respect the differences and similarities between people | should marry if they don't absolutely want to do so or are not making this |
| ✓ Identify their special people (family, friends, carers), what makes them | decision freely for themselves |
| special and how special people should care for one another | ✓ That their actions affect themselves and others |
| ✓ Judge what kind of physical contact is acceptable, comfortable, unacceptable and uncomfortable and how to respond (including who to tell and how to tell | ✓ To judge what kind of physical contact is acceptable or unacceptable and how to respond |
| them) | ✓ The concept of 'keeping something confidential or secret', when they should or |
| ✓ That people's bodies and feelings can be hurt (including what makes them feel | should not agree to this and when it is right to 'break a confidence' or 'share a |
| comfortable and uncomfortable) | secret' |
| ✓ To recognise when people are being unkind either to them or others, how to | ✓ To listen and respond respectfully to a wide range of people, to feel confident to |
| respond, who to tell and what to say | raise their own concerns, to recognise and care about other people's feelings and |
| To recognise different types of teasing and bullying, to understand that these are wrong and unacceptable | to try to see, respect and if necessary constructively challenge others' points of view |
| ✓ Strategies to resist teasing or bullying, if they experience or witness it, whom to | ✓ To work collaboratively towards shared goals |
| go to and how to get help | ✓ To develop strategies to resolve disputes and conflict through negotiation and |
| | appropriate compromise and to give rich and constructive feedback and support |
| | to benefit others as well as themselves |

| in in in in in in in in | That differences and similarities between people arise from a number of factors, including family, cultural, ethnic, racial and religious diversity, age, sex, gender identity, sexual orientation, and disability (see 'protected characteristics' in the Equality Act 2010) To realise the nature and consequences of discrimination, teasing, bullying and aggressive behaviours (including cyber bullying, use of prejudice-based language, 'trolling', how to respond and ask for help) To recognise and manage 'dares' To recognise and challenge stereotypes About the difference between, and the terms associated with, sex, gender identity and sexual orientation How to recognise bullying and abuse in all its forms (including prejudice-based bullying both in person, online and through social media) That two people who love and care for one another can be in a committed relationship and not be married or in a civil partnership That forcing anyone to marry is a crime; that support is available to protect and prevent people from being forced into marriage and to know how to get support for them self or others To understand personal boundaries; to identify what they are willing to share with their most special people; friends; classmates and others; and that we all have rights to privacy |
|---------------------------------------|---|

PSHE - Living in the Wider World

| Key Stage 1 | Key Stage 2 |
|---|--|
| ✓ How they can contribute to the life of the classroom and school | ✓ To research, discuss and debate topical issues, problems and events that are of |
| To help construct, and agree to follow, group, class and school rules and to understand how these rules help them | concern to them and offer their recommendations to appropriate people ✓ Why and how rules and laws that protect them and others are made and |
| ✓ That people and other living things have rights and that everyone has responsibilities to protect those rights (including protecting others' bodies and | enforced, why different rules are needed in different situations and how to take part in making and changing rules |

- feelings; being able to take turns, share and understand the need to return things that have been borrowed)
- \checkmark That they belong to different groups and communities such as family and school
- ✓ What improves and harms their local, natural and built environments and develop strategies and skills needed to care for these (including conserving energy)
- ✓ That money comes from different sources and can be used for different purposes, including the concepts of spending and saving
- ✓ About the role money plays in their lives including how to keep it safe, choices
 about spending or saving money and what influences those choices
- ✓ Ways in which they are all unique; understand that there has never been and will never be another 'them'
- ✓ Ways in which we are the same as all other people; what we have in common with
 everyone else
- ✓ About the 'special people' who work in their community and who are responsible for looking after them and protecting them; how people contact those special
- ✓ people when they need their help, including dialling 999 in an emergency.

- ✓ To understand that there are basic human rights shared by all peoples and all societies and that children have their own special rights set out in the United Nations Declaration of the Rights of the Child
- ✓ That these universal rights are there to protect everyone and have primacy both over national law and family and community practices
- ✓ To know that there are some cultural practices which are against British law and universal human rights, such as female genital mutilation (FGM)
- ✓ To realise the consequences of anti-social, aggressive and harmful behaviours such as bullying and discrimination of individuals and communities; to develop strategies for getting support for themselves or for others at risk
- ✓ That they have different kinds of responsibilities, rights and duties at home, at school, in the community and towards the environment; to continue to develop the skills to exercise these responsibilities
- √ To resolve differences by looking at alternatives, seeing and respecting others'
 points of view, making decisions and explaining choices
- ✓ What being part of a community means, and about the varied institutions that
 support communities locally and nationally
- \checkmark To recognise the role of voluntary, community and pressure groups, especially in relation to health and wellbeing
- ✓ To appreciate the range of national, regional, religious and ethnic identities in the United Kingdom
- ✓ To consider the lives of people living in other places, and people with different values and customs
- ✓ About the role money plays in their own and others' lives, including how to manage their money and about being a critical consumer
- ✓ To develop an initial understanding of the concepts of 'interest', 'loan', 'debt', and 'tax' (e.g. their contribution to society through the payment of VAT)
- ✓ That resources can be allocated in different ways and that these economic
 choices affect individuals, communities and the sustainability of the environment
 across the world
- ✓ What is meant by enterprise and begin to develop enterprise skills
- ✓ To explore and critique how the media present information.
- ✓ To critically examine what is presented to them in social media and why it is important to do so; understand how information contained in social media can

| misrepresent or mislead; the importance of being careful what they forward to others |

Appendix 2 - Science coverage of RSE objectives

| | TOPIC/THEME DETAILS |
|--|--|
| Year 5 - Spring 1 Human Reproduction and Ageing (Sow, Grow and Farm KRP) | This project teaches children about animal life cycles, including the human life cycle. They explore human growth and development to old age, including the changes experienced during puberty and human reproduction. Describe the changes as humans develop to old age. Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird. Describe the life process of reproduction in some plants and animals. Identify scientific evidence that has been used to support or refute ideas or arguments. Plan different types of scientific enquiries to answer questions, including recognising and controlling variables where necessary. Record data and results of increasing complexity using scientific diagrams and labels, classification keys, tables, scatter graphs, bar and line graphs. Report and present findings from enquiries, including conclusions, causal relationships and explanations of and degree of trust in results, in oral and written forms such as displays and other presentations. Take measurements, using a range of scientific equipment, with increasing accuracy and precision, taking repeat readings when appropriate. Use test results to make predictions to set up further comparative and fair tests. Develop scientific knowledge and conceptual understanding through the specific disciplines of biology, chemistry and physics. |
| Year 6 - Summer 1 Evolution and Inheritance | Revisit human reproduction and unique offspring |

Appendix 3: By the end of primary school pupils should know

| TOPIC | PUPILS SHOULD KNOW |
|---------------------------------------|--|
| Families and people who care about me | That families are important for children growing up because they can give love, security and stability The characteristics of healthy family life, commitment to each other, including in times of difficulty, protection and care for children and other family members, the importance of spending time together and sharing each other's lives |
| | • That others' families, either in school or in the wider world, sometimes look different from their family, but that they should respect those differences and know that other children's families are also characterised by love and care |
| | • That stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children's security as they grow up |
| | • That marriage represents a formal and legally recognised commitment of two people to each other which is intended to be lifelong |
| | How to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice from others if needed |
| Caring | How important friendships are in making us feel happy and secure, and how people choose and make friends |
| friendships | The characteristics of friendships, including mutual respect, truthfulness, trustworthiness, loyalty, kindness, generosity, trust, sharing interests and experiences and support with problems and difficulties |
| | • That healthy friendships are positive and welcoming towards others, and do not make others feel lonely or excluded |
| | • That most friendships have ups and downs, and that these can often be worked through so that the friendship is repaired or even strengthened, and that resorting to violence is never right |
| | • How to recognise who to trust and who not to trust, how to judge when a friendship is making them feel unhappy or uncomfortable, managing conflict, how to manage these situations and how to seek help or advice from others, if needed |

| TOPIC | PUPILS SHOULD KNOW | | | |
|--------------------------|--|--|--|--|
| Respectful relationships | • The importance of respecting others, even when they are very different from them (for example, physically, in character, personality or backgrounds), or make different choices or have different preferences or beliefs | | | |
| | • Practical steps they can take in a range of different contexts to improve or support respectful relationships | | | |
| | The conventions of courtesy and manners | | | |
| | The importance of self-respect and how this links to their own happiness | | | |
| | • That in school and in wider society they can expect to be treated with respect by others, and that in turn they should show due respect to others, including those in positions of authority | | | |
| | About different types of bullying (including cyberbullying), the impact of bullying, responsibilities of bystanders (primarily reporting bullying to an adult) and how to get help | | | |
| | What a stereotype is, and how stereotypes can be unfair, negative or destructive | | | |
| | • The importance of permission-seeking and giving in relationships with friends, peers and adults | | | |
| Online relationships | That people sometimes behave differently online, including by pretending to be someone they are not | | | |
| | • That the same principles apply to online relationships as to face-to face relationships, including the importance of respect for others online including when we are anonymous | | | |
| | • The rules and principles for keeping safe online, how to recognise risks, harmful content and contact, and how to report them | | | |
| | How to critically consider their online friendships and sources of information including awareness of the risks associated with people they have never met | | | |
| | How information and data is shared and used online | | | |

| TOPIC | PUPILS SHOULD KNOW |
|------------|--|
| Being safe | What sorts of boundaries are appropriate in friendships with peers and others (including in a digital context) About the concept of privacy and the implications of it for both children and adults; including that it is not always right to keep secrets if they relate to being safe |
| | That each person's body belongs to them, and the differences between appropriate and inappropriate or unsafe physical, and other, contact |
| | How to respond safely and appropriately to adults they may encounter (in all contexts, including online) whom they do not know |
| | How to recognise and report feelings of being unsafe or feeling bad about any adult |
| | How to ask for advice or help for themselves or others, and to keep trying until they are heard |
| | How to report concerns or abuse, and the vocabulary and confidence needed to do so |
| | Where to get advice e.g. family, school and/or other sources |

Appendix 4: Parent form: withdrawal from sex education within RSE

| TO BE COMPLETED BY PARENTS | | | | | | |
|--|--|-------|--|--|--|--|
| Name of child | | Class | | | | |
| Name of parent | | Date | | | | |
| Reason for withdrawing from sex education within relationships and sex education | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| Any other information you would like the school to consider | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| Parent signature | | | | | | |
