Head Teacher: Mrs. H. Smith B.Sc. (Hons) NPQH

Friday 7th June 2024

Dear Parents/Carers,

We'd like to introduce you to our school's educational video resource, ClickView.

Used by over 4,000 schools and colleges, this online video platform provides access to thousands of videos and educational resources for all subjects, in a safe and secure environment.

The platform hosts a wide range of educational video content, from popular films to documentaries and originally produced video resources. This ClickView-produced educational content is curriculum-aligned and designed to give students a deeper understanding of topics and concepts.

The videos are also a fantastic resource for you to use with your child at home to revise a topic, help with research projects, or to approach discussions and understanding around student wellbeing.

We're providing a safe way for your children to view valuable video content online. The inbuilt rating system means children can only view content that is age-appropriate.

You can access ClickView anywhere, at any time. Type www.clickview.net into your browser, download the free app for iPad or iPhone in the Apple Store or the Android app via Google Play. Simply sign in using your child's school login credentials. Children have been provided with their login credentials and had a short session regarding how to login modelled by their class teacher.

If you have questions or need further information, contact Computing Champion Miss Topping - ttopping@stoswaldscofe.co.uk

Kind Regards,

Miss Topping
Year 3 Teacher
