  - Play an instrument
  - Build a Den
- Visit St Oswald's Church
- Take part in a science experiment

### Programmes of study

#### History

- ✓ Know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day: how people's lives have shaped this nation and how Britain has influenced and been influenced by the wider world.
- ✓ Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses.
- ✓ Learn about changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life.
- ✓ Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed.
- ✓ Learn about changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life.
- ✓ Learn about events beyond living memory that are significant nationally or globally.

#### Companion Projects

Our Wonderful World- Geography

Mix it-Art and Design

Funny Faces and fabulous features - Art and Design
