

Year 3: Autumn

Through the Ages KRP

Programmes of study

History

- Learn about changes in Britain from the Stone Age to the Iron Age.
- Know and understand the history of these islands as a coherent, chronological narrative, from the earliest times to the present day: how people's lives have shaped this nation and how Britain has influenced and been influenced by the wider world.
- Understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses.
- Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed.

- **English text types** - Limericks, Instructions, Narratives and Chronological Reports
- **Geography** - Describe and understand key aspects of human and physical geography. Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied .
- **Science investigations** - Test and compare the fattiness of different foods.

Key Questions

Engage

- What was life like in the Stone Age?

Develop 1

- How did life change in the Bronze Age?

Develop 2

- How has the Iron Age shaped our lives today?

Innovate

- How do I analyse the artefacts and evidence from an archaeological dig and use the information to write a report?

Book List

- Stig of the Dump - Clive King
