Attendance and Punctuality Policy

St Oswald's CE VA Primary School Attendance and Punctuality Policy:

Principles and Implementation

Agreed by governors: November 2025

Implementation date: November 2025

Review date: November 2027

Vision, Ethos and Values

St Oswald's Ethos and Values Statement

Background

Our Ethos and Values Statement is an easy to understand model of religious education in St Oswald's. Children in our school know that love is the most important value of all, in line with the new command that Jesus gave us to love one another ([John 13:34](#)), which is why this is placed above all in our statement.

Vision

Our school vision is 'God has a plan' ([Jeremiah 29:11](#)). At St Oswald's, we believe that God has a wonderful plan for us all and we seek to discover that plan on a daily basis, weaving this into our school values and all aspects of school.

Ethos

Sitting below love lies our school's ethos: *Aspire, Believe, Connect*. As easy as A, B, C, this statement is easy to remember and most importantly represents what we want our children to do in every aspect of their education and lives.

Core Christian Values

The mission statement is underpinned by seven core Christian values that each link to one aspect of *Aspire, Believe, Connect*. As children aspire to be the best they can be in every way, they will grow in wisdom. In order to believe in themselves and develop their own beliefs about the world around them, our children are taught about the importance of trust and strength on their journey. We also believe in the values of peace and friendship in helping us to connect with those around us. Binding together all of these and very much at the heart of our values - and indeed the Christian gospel/Jesus' teaching - is love ([John 3:16](#); [Mark 12:31](#)).

Introduction

St Oswald's CE VA Primary School seeks to ensure that all of its pupils receive a full education, which maximises the opportunities for inclusion and achievement at school so that each pupil is able to realise his/her full potential.

All children between the ages of 5 and 11 are legally required to be educated.

Pupils, parents and carers, teachers, support staff and governors all have a role in maintaining a high standard of attendance and punctuality.

EVERY LESSON COUNTS! EVEN CASUAL ABSENCE CAN AFFECT YOUR CHILD'S ATTAINMENT.

1. Aims of the Policy

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

The following graphic demonstrates the impact that attendance can have on your child's progress:

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

 - o That absence is almost always a symptom of wider issues
 - o The school's legal requirements for keeping registers
 - o The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels

3.3 The designated senior leader responsible for attendance

The designated senior leader Helen Smith (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis

The attendance officer is Yolande Whittle and can be contacted via telephone on (0191) 4832844 or via email ywhittle@stoswaldscofe.co.uk

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office via RM Integris. This **MUST** be accurate and entered into the system in as soon as is possible once the children have entered for the morning and afternoon sessions. iPads should be taken on trips so this can also be done remotely when not on site.

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Offer support to parents/carers where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 8:50am on the day of the absence and each subsequent day of absence), and advise when they are expected to return. This can be done by calling the school office or via a 'my school app' absence notification form.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Comply with the school's attendance policy and procedures.
- Seek support, where necessary, for maintaining good attendance, by contacting either Helen Smith (Executive Headteacher), Jade Sharrock (Deputy Headteacher) or Yolande Whittle (Family Support Worker) who can be contacted via telephone on (0191) 4832844.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording Attendance Data

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age - Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:40 am and ends at 3:15pm.

Pupils must arrive in school by 8.40am each school day.

The register for the first session will be taken at 8:45am and will be kept open until 9am. The register for the second session will be taken at 1pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:50am, or as soon as practically possible, by calling Joanne Wright in the school office, who can be contacted via telephone on (0191) 4832844 or via 'my school app' through the absence notification form.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than three days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment and an appointment card, letter or text is provided.

If parents/carers are planning on taking their children out of school during term time and know this in advance they should request a leave of absence form from the school office and fill this in prior to the absence. However, we would ask as far as possible that no periods of absence are taken during term time.

We encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence.

4.4 Lateness and punctuality

A pupil who arrives late:

- Will enter the school through the main office and enter the reason on the school's Inventory system. This is tracked on a half-termly basis.
- All errors which are made whilst completing the electronic register should be reported to Joanne Wright (Office Manager)
- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- If there is persistent lateness a meeting will be arranged with either Helen Smith (Executive Headteacher) or Jade Sharrock (Deputy Headteacher) to offer support in order to get the child to school on time.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit, contact other family members, contact children services (if appropriate) or contact police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained - this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider carrying out 'eyes on the child visit' to ensure the child is safe and also contacting the local authority attendance team.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance

- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, a notice to improve letter will be issued, followed by a penalty notice and if required further legal intervention.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy) about their child's attendance and absence levels via termly parents meeting and reports. Half termly letters will be issued for those who are classed as persistent absentees (below 90%).

- If any member of staff is notified of information with regards to attendance or lateness, they are to inform Joanne Wright (Office Manager) or Yolande Whittle (Family Support Worker).

4.7 Computerised Data

The information in the registers will be entered daily onto our RM Integris system by the office manager (Joanne Wright).

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as a one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is highly unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance - where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes - this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

The school will follow up on all unauthorised absences.

Examples of unauthorised absences could be (but not limited to):

- Child not wanting to go to school
- Childcare issues
- Inability of parents / carers to get the child to school
- Truancy
- Holidays / day trips

Parents are strongly discouraged from taking their children out of school during term time.

5.2 Sanctions

Our school will make use of the full range of potential sanctions - including, but not limited to, those listed below - to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

- Each week St Oswalds CE VA Primary School celebrates attendance in their praise and celebration assembly. The class with the best attendance each week are awarded ten minutes extra playtime.
- There is a display on attendance in the school and on the school website which is updated weekly.
- Termly trips are awarded for those who achieve 100% attendance in a term.
- 100% attendance certificates and £10 voucher issued annually.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Pupils who are absent due to complex barriers to attendance are supported in the following ways:

- A meeting with parents and the pupil (where appropriate) to discuss the main barriers and identify a range of strategies to support the family.
- A soft landing will be offered to the child in order to get them into school.
- Breakfast club could be offered as a way to support the transition into school.
- A clear graduated plan will be offered if a phased return to school is required with timely check in meeting to reassess the plan
- The grounds on which a penalty notice may be issued before the end of the improvement period will be clear.

7.2 Pupils absent due to mental or physical ill health or SEND

Pupils who are absent due to mental or physical ill health or SEND will be supported linked to attendance in the following ways:

- A meeting with parents and the pupil (where appropriate) to discuss the main barriers and identify a range of strategies to support the family.
- A soft landing will be offered to the child in order to get them into school.
- Breakfast club could be offered as a way to support the transition into school.
- A clear graduated plan will be offered if a phased return to school is required with timely check in meeting to reassess the plan
- Support from external agencies sought such as Healthy Minds, The Emotional Resilience Team, SEND Services, CYPS, Medical Intervention Team etc.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

- A meeting with parents and the pupil (where appropriate) to discuss the main barriers and identify a range of strategies to support the family.
- A soft landing will be offered to the child in order to get them into school.
- Breakfast club could be offered as a way to support the transition into school.
- A clear graduated plan will be offered if a phased return to school is required with timely check in meeting to reassess the plan

8. Attendance monitoring

In the Autumn Term (2) of each academic year, an analysis of attendance is carried out with children at risk of persistent absenteeism identified as well as those below 90% who are now classed as persistent absentees. Following this initial screening this is then carried out on a half termly basis and the following steps are taken:

- Each class teacher is informed of which of their children are persistent absentees or at risk of becoming persistent absentees.
- Parents/Carers are informed by letter that their child's attendance is below 90% and support offered. The child's attendance report from RM Integris is also included showing the relevant codes.
- Children who are persistently late are also sent a letter and further support offered.
- Parents of children who are classed as persistent absentees are advised of the next steps if attendance does not improve including Penalty Notice information.
- A termly meeting with the attendance lead, champion and SLT is held to ascertain next steps with year groups, vulnerable groups and individuals and the action plan is updated accordingly.
- A termly report to governors is given linked to attendance.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including the special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - o Discuss attendance and engagement at school
 - o Listen, and understand barriers to attendance
 - o Explain the help that is available
 - o Explain the potential consequences of, and sanctions for, persistent and severe absence
 - o Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum biannually by Helen Smith (Executive Headteacher). At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
