Catch a fish

Companion Projects

Interconnected World- Geography

Warp and Weft- Art and Design

Sound- Science

Fresh Food, Good Food- D&T

Digestive System- Science

Contrast and Compliment- Art and Design

Programmes of study

History

- ✓ Conduct a local history study.
- ✓ Learn about Britain's settlement by Anglo-Saxons and Scots.
- ✓ Learn about the Roman Empire and the impact on Britain.
- ✓ Learn about the Vikings and Anglo-Saxon struggle for the Kingdom of England and the time of Edward the Confessor.
- ✓ Study an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066.
- ✓ Gain and deploy a historically grounded understanding of abstract terms such as 'empire', 'civilisation', 'parliament' and 'peasantry'.
- ✓ Gain historical perspective by placing their growing knowledge into different contexts: understanding the connections between local, regional, national and international history; between cultural, economic, military, political, religious and social history; and between short- and long-term timescales.
- ✓ Understand historical concepts such as continuity and change, similarity and difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts, including written narratives and analyses.
- ✓ Understand the methods of historical enquiry, including how evidence is used rigorously to make historical claims, and discern how and why contrasting arguments and interpretations of the past have been constructed.

English text types- Anglo-Saxon poetry; Play scripts; Norse myths; Non-Chronological reports

Geography- Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
