Description:

Valley Gardens Middle is an outstanding school. It is a highly popular and oversubscribed school with 750 pupils on roll. Academic standards are well above age related expectations and the school remains ambitious to improve standards further. The ethos of the school is a particular strength and there is a thriving programme of extra-curricular activities.

We are looking to appoint a Deputy Headteacher to join our dynamic team of senior leaders in our continual school improvement journey.

The successful applicant should have a passion for school leadership with a particular interest in assessment and pupil performance. The ability to teach maths would be preferable, but this is not essential.

At Valley Gardens we are committed to Continued Professional Development for all staff.

There is strong pastoral care and in our last Ofsted inspection, the school was graded outstanding. "Many pupils reach exceptionally high standards".
