MUSICAL INSTRUMENT TUITION SCHEME

Valley Gardens Middle School has long had a reputation for the quality of its music education in the classroom as well as that provided by its peripatetic music staff.

The school is able to arrange tuition but the cost must be met by the parents. Parents will also have to be responsible for the purchase of music and ancillary equipment such as reeds and drum sticks. The school is usually able to offer the loan of an instrument for an annual fee of £20. If all our instruments are on loan, we will put your child's name on our waiting list or alternatively you can make your own arrangements. Where school instruments, i.e. keyboard, piano, guitar and drums are used in lessons a charge of £5 per year will be required to cover the repair and maintenance.

Key Information

Lessons

1. Lessons are normally half-hour sessions held once per week and teachers aim to provide 36 weeks of tuition per year.
2. Pupils are taught on a rotating timetable so that pupils do not miss the same subject every week.
3. Individual and paired lessons are available for all instruments. Group lessons are an option for some instruments. (Please see 'Cost').
4. Timetables are emailed to parents and posted on a board within the Music Department.
5. It is the responsibility of pupils to attend lessons. Please see 'Lessons Missed.'

School Instruments

6. A levy of **£20 per year** will be required for those borrowing a school instrument.
7. Where demand for school instruments is great, the school will test the suitability and aptitude of potential pupils. Parents will be informed of our findings.
8. Where school instruments, i.e. guitar and drums are used in lessons a nominal charge of **£5 per year** will be required to cover the repair and maintenance.

Purchase of Own Instruments /Trial of Instruments

9. For pupils wanting to purchase their own instrument the department runs an 'Assisted Instrument Purchase Scheme' whereby parents can purchase a musical instrument at a reduced cost. (Contact the pupil's instrumental teacher, Foundation Subject Leader or visit the Music Department on the school website for further details of this scheme).
10. There are a number of schemes from music shops within the area that allow you to trial an instrument paying monthly then deducting this from the total cost of the instrument, allowing you to either hire or purchase the instrument.

Cost

11. Invoices for tuition are issued at the beginning of each term/half term.
12. Fees are around £15 per half hour lesson and is divisible by the number in the group. (Group of 2 = £7.50; group of 3 = £5 per lesson).
13. There is a charge for using school instruments, please see 'School Instruments.'
14. Prompt settlement of bills is appreciated.
15. All queries regarding bills and lessons should be addressed to the instrumental staff.

Lessons Missed

16. Attempts will be made to 'make up' lessons missed through genuine prolonged illness (of child or teacher) but it must be borne in mind that these are group lessons which will take place even if your child is not present.
17. Lessons missed through forgetfulness, failure to bring music/instrument, or lessons missed through absence from school for non medical reasons (i.e. holidays) may not be 'made up'.
18. Where major school activities (e.g. trips, exams) prevent attendance, teachers will provide alternative timings, providing pupils discuss alternatives with them **in advance**.

Extra Curricular

19. Once pupils reach a certain standard we would expect them to attend an extra-curricular activity i.e. choir, windband, string orchestra, recorder group, rock bands etc.

Cancellation of Lessons

18. To cancel instrumental lessons, parents/carers are required to give a minimum of a **half-term's notice in writing** or a **half term's fees in lieu**.
