

## Food Allergy & Intolerance Form

Please complete this form if you wish to inform the School that your child has a Food Allergy or Intolerance or Coeliac Disease. Caterlink work closely with their suppliers and aim to be as accurate as possible but it must be noted that they can only be guided by the information the suppliers provide, like the process of a parent catering for a child's special diet. It is essential that all parties concerned work together when providing a safe special diet and that this is reviewed with every menu change, therefore please ensure this form is fully completed with clear and accurate information.

It is vital that all forms are accompanied with a referral letter from a medical professional (G.P/ consultant /dietician). **This form must be handed into the school and discussed with them (NOT the Caterers).**

### PUPILS DETAILS

Child's Name		MALE / FEMALE
