Dear Parents/Carers,

Thank you for all of your support across this half term. It has certainly been busy with lots of lovely visits and visitors and some nice curriculum enhancements too!

We had a successful World Maths Day and it was great to work with the children playing board games across the afternoon. It was so nice to see their interactions with each other—and their kindness too—allowing others to join in their games and some lovely explanations of how the games were to be played.

As we enter this final week of the Spring Term, we have lots of Easter fun and activities built into the week. Reception have enjoyed sharing their Easter Assembly with us and were true superstars for their families I was so impressed with the singing and definitely the dancing from our children—a huge well done!

Some of our Eco Warriors were very lucky to visit Dogger Wind Farm at the Port of Tyne. A huge thank you to Fearne's dad in Class 3 for allowing us to go and to organise all of the arrangements. It really was a super experience for our children.

We have enjoyed our Easter get together in the school yard yesterday too—thank you for all of your support. We hope if you head off for the Treasure Hunt, that the sun shines and you have fun! There are still some Treasure Hunt sheets available if anyone would like to pick one up.

After a busy term, I would like to wish everyone a wonderful, restful Easter break. I look forward to seeing you all for our final Summer Term!

Best Wishes,
Miss Holt

We are very sad to share that Mrs Brough, our lovely teaching assistant from Reception and Year 1 will be leaving us at the end of this term to take up another position in a school in Sunderland. We will be very sad to see her leave us but wish her every success and happiness. I'm sure parents will join me in thanking her for all of her dedication to our children over her time in school with us.

Please find below our attendance breakdown from across the Autumn and Spring Terms.. It is helpful to share overall attendance pictures with parents/carers as well as individual breakdowns.. Thank you for all of your support with attendance and punctuality. Ensuring your child is in school and on time is key to supporting their learning!
