

## **School Council Newsletter!**

**Issue 1—11th April 2025**

Today marks the beginning of our Termly School Council newsletter, the children work together during school council meetings to decide what they would like to share with you all. They have loved being a part of this!

### **Autumn and Spring highlights...**

We have already had such an exciting year so far as the School Council! We have implemented our new playground rules, we shared these in assembly with everyone.

We were also able to create 14 hampers for our friends at Sycamore Care Home at Christmas, this was a great experience!

We loved organising the Easter Egg Letter Hunt, it was so exciting planning where to hide the clues.

**Alzheimer's  
Society**

### **Future events...**

We are always thinking and planning some new exciting events for school.

Did you know that this year it is the 140th birthday of our school? Keep your eyes peeled for some celebrations...

Last year we worked alongside our friends at Sycamore Care Home to organise a sponsored walk in aid of Alzheimer's Society. We are hoping to rearrange this again, more information will follow!
