Dear Parents/Carers,

What a wonderful week of celebrations we had. A huge thank you must first be said to the staff team for ensuring that all of the planned activities we have had in place have all taken place and ensured amazing experiences and memories for our children. Another huge thank you to yourselves, for remembering which outfit was needed on which day—there has been lots to remember! But seeing all of the children dressed up and enjoying the days have made it all the more memorable and I do hope that it will be a week the children will remember!

The Open Evening on Wednesday night was a lovely evening of reminiscing and time for people to talk and look over the pictures and artefacts we have had in school. It was nice to welcome staff and pupils old and new—and lovely for me to be able to chat with Mrs Gasston and Miss Boville the two Head Teachers before myself—I bet there are not many schools that have been able to have that opportunity—it was very special.

Please enjoy a selection of photographs of the week! The next three weeks are equally as busy and a further final newsletter will follow with a round up of all of the final parts of our busy term!

Thank you once again for all of your support!

Best Wishes,
Miss Holt
