Dear Parents/Carers,

We have had an amazing health and fitness fortnight in school over the past few weeks. A huge thank you to Miss Curry and the staff team who have put so much effort into the organisation and ensuring that the children all have wonderful experiences! Surf School, Martial Arts, Cheerleading, Cricket and even a penalty shoot out made up the experiences for our children this year and it's wonderful to have this opportunities for our children.

We enjoyed a wonderful sports day last Monday too. It was our second year on the Junior field and in mixed, family groups and once again it worked really well—we hope you all enjoyed it. I know from speaking to a few parents afterwards it felt like an enjoyable afternoon for everyone and the weather certainly helped—it was much cooler and no rain....perfect!

All parents should now have received their child's school report. We hope you have enjoyed reading it as a celebration of the work your child has completed across this academic year. We are incredibly proud of our children and what they have all achieved!

Our Year 2's represented our school brilliantly at the Little Big Sing at the Glasshouse International Centre for Music. They had a wonderful time singing alongside lots of other schools.

We look forward to our final week. We have our PTA Shorts and Shades Discos to look forward to as well as a Pirate Party for Year 1 and the Leavers Concert for Year 2. It's going to be emotional—I can't quite believe where the 3 years have gone! But we look forward to a wonderful celebration of their time in school with us. I look forward to seeing you all across the final week in school.

Best wishes,
Miss Holt x

P.S We were also thrilled to make it to front page news for our successful Ofsted Inspection! Whilst it is nice to share our good news widely with the community—none of us expected the front page so that was quite special! Thank you once again to everyone!
