

What has been your favourite Art lesson?

"I have really enjoyed looking at ways we can explore colour. It was exciting to see what colours we made when we mixed them together!"

"I like looking at different Artists"

"I like using pencils to draw and sketch the teddy bear. It was good to look at ways to add in texture!"

Why is learning about Art important?

"It helps us to be creative."

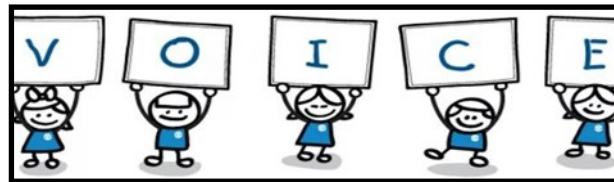

"We get to experiment with different materials, such as paint and charcoal."

Is there anything you like about Art?

"I like painting because you can mix colours and make new colours."

"I liked drawing. I like to add texture."

Art Pupil Voice

What can you do in Art that you couldn't do before?

"The best bit about Art is even if my art doesn't look how I expected it to, it's still art. There's no right or wrong!"

What new vocabulary have you learnt?
