

What has been your favourite DT lesson?

"I enjoyed making a moving picture. I could design the scene and then I made a moving part"

"I enjoyed making a puppet because I got to design it and use it!"

"It was fun making the Ferris Wheel, but I did have to be resilient!"

"I enjoyed making a smoothie and it tasted delicious"

Why is learning about DT important?

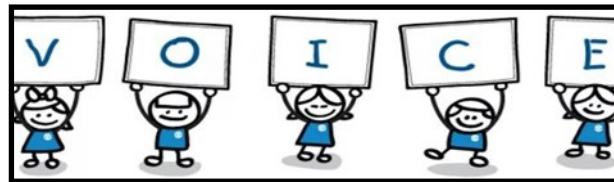

"It helps us to work out how things are made"

"We can think about how DT helps us at home too—when we made the wrap I had to chop up the tomatoes!"

Is there anything you like about DT?

"I like learning new things like how a car needs an axle to move"

Design Technology Pupil Voice

What can you do in DT that you couldn't do before?

"It was really tricky making the Ferris Wheel as we had to make sure that the wheel turned"

"When I made a healthy wrap I learned a new skill and got to taste new foods"

What new vocabulary have you learnt?

axle

axle holder

design

make
