Tell me about reading in your class ...

"I love it when Mrs Verity reads The Enchanted Wood. I like to see what new world is at the top of the Faraway tree."

"I like it when we have a copy of the book to share with our partners. It is better because we can see the words and pictures better and follow along with the teacher."

"I love reading. I like getting 100 points on the fluency check. You have to read without sounding words out and use expression. You change your voice for the different characters too."

Tell me about learning new vocabulary ...

"We have super five every week and we make up actions to help us remember the words. We know the word exasperated."

"We look at seven new words every week and try and use these in our writing."
