

What has been your favourite Geography lesson?

"I like finding out about landmarks and sticking them on the UK map."

"I loved learning about Antarctica and the different animals that live there, especially the penguins."

"I loved going for a walk around East Boldon and then making a map of it!"

Why is learning about Geography important?

"So we can find out what the world is like"

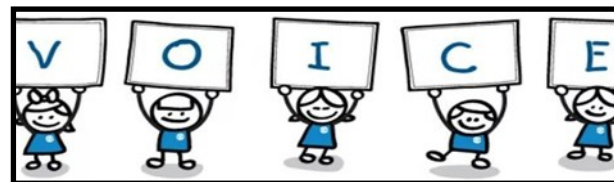

"We can find out which animals live in different countries and what the weather is like."

Is there anything you don't like about Geography?

I like learning about the animals in different countries.

I'd like to look on Google Earth.

Geography Pupil Voice

What can you do in Geography that you couldn't do before?

"I can make a map with a key and a compass."

"I know about food from different countries."

What new vocabulary have you learnt?

"Equator! I know it runs around the middle of the world and it's very hot! That's why it's freezing in Antarctica because it's so far away."

Capital cities and countries in the UK - Scotland & Edinburgh, England & London, Wales & Cardiff, Northern Ireland...Belfast!

Antarctica, the Arctic, North and South Pole

Globe - I like finding countries on it.
