

Week: 3 Wednesday 8th April

Year Group: Reception

English Reading	English Writing	Maths	Wider Curriculum
<p>Listen to the story of "The Gruffulo" by Julia Donaldson. If you do not have a copy of the book you can watch the animated video on BBC Iplayer. Ask your child to listen to all the rhyming words and write them down together.</p> <p>E.g. nose and toes</p>	<p>Draw a self portrait of yourself. Look in the mirror at the details of your face. Think about your eye colour, hair colour, glasses, hair band etc.</p> <p>Then write a sentence describing yourself. "My name is _____ and I have long brown hair. I like to wear my hair in a plait with a red bow."</p>	<p>Go on a Shape Hunt around your house and garden. Can you find a triangle, square, circle, rectangle or any other shapes?</p> <p>Can you draw the shapes you find and describe them to a family member?</p> <p>"The triangle has 3 corners and 3 sides." "The circle has a curved side and no corners."</p>	<p>Whole School Design and decorate an egg for Easter and email your photographs to the school office to go onto our website.</p>

<p>Read or Listen to the story “Sharing a Shell” by Julia Donaldson. You can listen to it on BBC Iplayer - https://www.bbc.co.uk/iplayer/episode/m0003gtp/cbeebies-bedtime-stories-699-sinead-keenan-sharing-a-shell</p> <p>Next week we will be looking at different sea creatures.</p> <p>Discuss the sea creatures you find throughout the story. Do you know of any more?</p>	<p>Read each word to your child and ask them to write it down and say the sounds as they write each one. Stretch the word out the help your child hear all the sounds. Encourage your child to read each word out loud after writing it to check.</p> <p>Words to read and write: crab, step, grub, smell</p>	<p>Practise subtracting amounts. Line up 10 items on a wall or in the garden. Practise counting them all and taking one away each time. How many do you have left? What is happening to the amount left on the wall?</p> <p>10 Green bottles is a great song to sing whilst taking an item off the water. Why not fill plastic cups up with water and knock one off the wall each time.</p> <p>After practising subtracting one (one less) practising taking away more. Can your child write the number sentence and explain it. 10 - 3 = 7 10 cups on the wall and I take away 3, that leaves 7 cups left. That’s less. That’s a smaller amount.</p>	<p>Make an Easter card for a family member.</p> <p>You could draw an egg and cut a zig zag line through the middle of it. It will look like a cracked egg. You could draw a chick to sit inside your egg.</p> 
<p>Use your home school learning pack and pick out a word search to complete.</p> <p>Read the word you are looking for and then search through the word search for the correct letters in the right order, next to each other. Use a highlighter or coloured pens to circle/highlight the word. Tick it off when you have found it!</p>	<p>Read this sentence out loud to your child fully. -</p> <p>The twin frogs, Stan and Steff, swim in the sink.</p> <p>Ask your child to write each word as you say it again. Say one at a time for your child to write. Remind them to use finger spaces, a capital letter and a full stop.</p>	<p>Espresso: Go to “Key Stage 1” and “Maths”, click on “counting” and “activities”. Practise putting numbers 0-10 in the correct order on the numberline and then 10 - 20. Some numbers might be missing, so look at the number before and after to work it out. Count from the beginning to check your numbers.</p> <p>https://central.espresso.co.uk/espresso/module/s/ey_0to10/find.html#tab2</p>	<p>Espresso: Search for “Easter” in the search bar and explore the Easter videos and activities. Try the “Which egg?” activity. https://central.espresso.co.uk/espresso/primary_uk/subject/module/activity_index/item899227/gradef/index.html</p>
<p>PE - Everyday at 9am join Joe Wicks on YouTube for a workout.</p>
