Read the book '**Staying Home**' to your grown up.

Practise reading it everyday.

<https://www.phonicbooks.co.uk/content/uploads/2020/04/Staying-home-mini-book-small.pdf>

Read this sentence out loud to your child - **The bull shook the bush.** Ask your child to write this sentence one word at a time. Remind them to use finger spaces, a capital letter and a full stop.

Follow the Oak National Academy - click on the following link to take part in a maths lesson on doubling and halving.

[To problem solve using doubling and halving | Primary | Maths](#)

Purple Mash 2Do - Complete the 2Do 'When I grow up'. Think about what job you would like to do when you grow up. Why do you want to do this job? Think about the different Jobs we have learnt about in school to help give you some ideas. You could also think about the jobs of the key workers you might have seen on the news recently or maybe you would like to have a job similar to someone in your family. Draw a picture and write about your dream job. You can complete this on paper if you do not have access to an electronic device.

PE - Everyday at 9am join Joe Wicks on YouTube for a workout.
