

Good Morning,

I hope all our children and families remain well, it has been good for myself and some of the staff to speak to many of you recently.

As this challenging situation continues for us all I just wanted to give you an update on our current position. There has been a lot of information on the news and in the press about the reopening of schools for certain year groups from the 1st June. Currently I am working with school leaders and awaiting further advice from the LA and the government around how we best achieve this ensuring at all times the health and safety of our staff, pupils and parents.

I do not feel in a position to be able to say any reopening will be on this proposed date but I do need to know your views and most importantly if you will accept the offer of a place if your child is in one of the proposed year groups.

A survey monkey of around 5 short questions will follow this letter on mySchoolApp and the school website. I would urge you to complete it as soon as possible for all pupils attending our school including nursery. This will ensure that I can plan effectively for any reopening. As always any questions please don't hesitate to contact school either by phone or e mail.

At the time of writing this letter we are focusing any reopening for pupils in nursery and reception only. Any return would be in very small groups on a part time basis.

Take care
kindest regards
Andrea Willis
