

Year 2
Class of 2020

Well.. what can we say? The school year 2019-2020 was not what we expected it to be. Our school had to close because of an international Caronavirus pandemic called Covid19. You couldn't come to school to see your friends and teachers. All of your learning had to be done at home, your grown ups at home became the teachers! And we must say.. what a fantastic job they have done! This year has certainly been unforgettable and so have you. We wanted to celebrate your time with us by creating this year book that you can keep forever. We will miss you all so very much as you move on into KS2 at the juniors but we wish you all the very best of luck for your future.

Yours sincerely Mrs Frazer, Mrs Dixon and all of the Staff at Biddick Hall Infant and Nursery school.

A message From Sara:

"The Beamish trip in year 2 was my favourite school trip, because it's about History and that's my favourite subject."

"I loved playing Teen Titans Go at playtime with Talia and Harrison."

"History is my favourite subject, and I loved to learn about WW2"

"I will miss Biddick Hall Infants and the teachers, but hopefully most of my friends will start Junior School with me."

summer is hot,
summer is having ice creams,
summer is going to the beach,
and wearing suncream.
summer is bright,
and we have lighter nights,
i love summer time.

A message from Talia:

I have enjoyed playing outside with Sara. My favourite thing was when we would skip around the yard together at playtime.

My favourite thing to do at school was playing dodge ball in PE, But i enjoyed doing art too.

Easy does it...

The best trip i have been on at school was Beamish In year 2, I enjoyed looking around the houses and the school, and going on the trams.

I will miss Mrs dixon and Mrs Watson a lot when i go into year 3. But i am glad i had them as my year 2 teachers.

Beebot fun!

Gorgeous

More book day fun!

The name's bond...

Summer is holiday time,
 Children are having fun in the sun,
 While the bees are flying
 From a flower to another,
 Going to the beach all day long
 With friends and family.
 Summer is about spending time with others
 And making memories to remember.

Memories from Laurie

My Favourite lesson is maths because I love to count in different ways and lessons are always fun.

My Favourite things to do in school was to play outside and play games like skipping, chasing, tag with Amelia, Annabelle, Ellamay and Darla.

Laurie would like to say thank you to Mrs Taylor for always helping her with English as she found it hard and to Mrs Dixon for making lessons fun.

A Message from Mrs Willis...

Hello everyone,

I know it must seem like a very long time since we were all together and I do feel sad that we were not able to come together to bring your time at Biddick Hall Infant and Nursery School to a close. However, just because I haven't been able to see you doesn't mean I haven't been thinking of you because I have thought of you all often.

I am going to share with you some of my thoughts. The first is that I want you all to remember how proud I am of all of you. You are the first group of children who have gone all the way through school from nursery to year two whilst I have been head teacher; that will always make you special.

You have learnt so much; you know how to be safe, how to achieve and how to be respectful. Seeing you all around school behaving in this way made me smile everyday.

Never forget what you have achieved and what you can all go on to achieve, believe in yourselves and work hard. I know you will go from strength to strength.

I look forward to the next time we can all come together. Hopefully as year 3 classes you will be able to come back and visit us. I will most certainly come and visit you all at the Junior School.

Stay safe, work hard and most importantly have fun!

Love from

Mrs Willis x

We will miss you all so much with lots of love from all of the staff at Biddick Hall Infant and Nursery School

Good luck year 2!

The music you have just heard is called 'Sing' by Gary Barlow and the Commonwealth Band.. We had been practicing this song for the music festival and we sounded beautiful.. We would have been stars of the show..
