

Dear Parent/Carer,

As school will be closed next week for half term we need to ensure that in the event of a child testing positive over the coming days we are still able to contact parents/carers of any other children that would need to self isolate as a result of this.

As part of our track and trace system in school, if your child receives a positive test result on either Saturday 24th October or Sunday 25th October you must ensure you email the school office immediately at office@biddickhallinfants.co.uk

In the event of school being notified of a positive test result we will message the parents of those children who need to self isolate via myschoolapp. Please ensure you have this app downloaded on your mobile phone/device. Information of any class bubbles that would need to self isolate will also be published on the school website. Please ensure you check the website regularly for any updates.

Thank you for your support with this.

Mrs A Willis
Head Teacher
