

Dear Parent/Carer,

We are seeing a number of water bottles being sent into nursery containing juice and flavoured water.

This is a polite reminder to confirm that only water should be brought into nursery in your child's water bottle.

Please also note children must not bring any toys, fidgets, sweets etc. into nursery. Children should leave these type of items at home while they attend their nursery session.

If you have any queries please contact the school office on 0191 9330830.

Many Thanks
