

Dear Parents and Carers,

After half term we are going to be asking your children; **What do you read in one day.**

During the half term break, please could you help your child to find all the things you and your family read at home; before and after school, on visits and when you are out and about. The children are going to make their own reading rivers like the ones shown below. Please can they bring in items to put on the reading rivers for example, labels, packets, receipts, bus tickets and email photos of things they read for example; signs outside, street names, maps. Please send to: [office@biddickhallinfants.co.uk](mailto:office@biddickhallinfants.co.uk) and put **Reading Rivers and colour of your child's class** in the subject bar.

**Please bring all of the items into school on Monday 28<sup>th</sup> February.**

We appreciate your help with this project to show your children how much reading we all do in one day.

Thank you,

Mrs J Storey
