## This half term we launched our attendance incentive.

Over this last 6 weeks we have started to see an increase in our overall attendance and that is thanks to your efforts in ensuring your children are in school every day. I cannot stress enough how important school attendance is for your child. There is still lots of room for improvement and I look forward to working with parents and carers to provide help and support where persistent illness and absence is an issue. The attendance team and I are always available to speak to should you have any concerns regarding your child's attendance.

I would like to take this opportunity to say a huge thank you and well done. Not only to the following children but to you as parents and carers. You are all doing an amazing job so please keep up the good work. I can confirm the following children have been entered into a draw and the winner's parents will receive a £25 voucher. The winner will be revealed on Thursday and announced on our school website. Once again thank you to you all and good luck!
