

Dear Parent/Carer,

On Tuesday 19th September children in year 1 will spend time out of school in the local community.

Children will have lunch and leave school at approximately 1pm.

All parents and carers completed a GDPR consent form when their child started school giving consent for trips within the local community therefore no permission slip is required.

Children will return to school in time for collection at 3.15pm.

Many Thanks

Mrs A Willis
Head Teacher
