

Dear Parents/Carers,

The children have been working really hard this half term in Reception and they would love to share their work with you. Straight after school on **Tuesday 18th February 2025**, there will be an exhibition of their art work in the Reception outdoor area.

Please collect your child as normal on this day. Your child's work will be available to view outside of your child's classroom.

Kind Regards,

A handwritten signature in cursive script, appearing to read 'A Willis'.
