Newsletter

It's been a short month but a busy one with exhibitions, trips and our careers fair in school.

Nursery have been to visit West Boldon Lodge as part of their learning in Talk for Writing and Year 1 took a trip to The Safety Works Centre where they looked at different environments and how best to stay safe.

Our careers fair was a huge success. The children had a fantastic time speaking to our visitors and learning all about their job roles. Thank you to everyone involved who allowed us to hold this event.

Important - Our Communication App is Changing!

Reach More Parents will be our main communication tool after half term and will replace myschoolapp.

It gives access to key dates and allows parents and carers to give online consent for any upcoming trips or activities.

Notifications will appear as a newsfeed along with a message function which will allow you to receive letters and information electronically. Please note after half term paper copies of trip letters/newsletters will no longer be sent out.

All families will receive an enrolment email or SMS in the coming days containing details of how to register and access the reach more parents app.
