Sports Days

Thank you to everyone who attended our sports days this month. All of the children were amazing and thankfully, in the main, the weather served us well. A special thank you to those parents that participated in the parent's races at each event. Well done to you all!

Transition

Children will take part in some transition activities over the coming weeks where they will spend time in what will be their new classroom from September.

Further information regarding classes/teachers from September will follow soon.

Reception Trips

Reception children went to explore the sights of South Shields this month when they took the local bus to South Shields Interchange. After a ferry ride across the river they spent time at The Word to visit the library and have some lunch.

Beach school sessions are now well under way with reception children also visiting both Souter lighthouse and South Shields beach. During the sessions children learn all about sea life and how we can protect our environment.

A Dance Festival Surprise!

Well done to all of the children that took part in the South Tyneside Dance Festival at The Customs House. The children have worked so hard and had even planned a surprise for Mrs Willis to give her a special send off for her upcoming retirement.

Mrs Willis was thrilled the children had dedicated a dance to her and she was quite overwhelmed to watch the children perform on stage in what was a very touching moment.

Thank you to all of the children and staff involved who were able to make this happen!
