

Autumn 1: "You Belong Here"

The Theme: Settling in, making friends, and learning about our community as the autumn leaves begin to fall.

What Your Child is Learning

- **Settling In & Friendships (PSED):** Learning to confidently join in, follow our three simple school rules, and practice using "gentle hands" and being a kind friend.
- **Early Language & Rhymes (CLL & Literacy):** Exploring classic nursery rhymes like Humpty Dumpty and learning how to respect and handle books beautifully.
- **Counting & Matching (Maths):** Learning to fast-recognise groups of up to 3 objects without counting them one by one.
- **My Family & My Body (Understanding the World / Arts):** Talking about our families and using mirrors to look closely at our features for self-portraits.
- **Getting Active (Physical Development):** Learning to wash and dry hands properly, and practicing independence by putting on coats to go outside.

How to Help at Home

Share a photo of your family on Tapestry so your child can talk about who they live with during class circle time! Practice putting on and taking off coats by themselves.
