

Paper Plate Fish

This should take about **15 minutes**

You will need:

- White paper plate or round white card
- Scissors
- Glue
- Colouring pens/pencils

Method:

	1. Use a ruler and a pencil to draw a triangle on a paper plate.
	2. Cut out a triangle with some scissors.
	3. Stick the triangle onto the edge of the plate using some glue, to make a fish shape.
	4. Draw some wiggly scales and an eye on the fish, using a black felt tip pen.
	5. Decorate the rest of the fish with bright colours.
